Education

2016-present: Renaissance School

Honors student at Renaissance High School in Charlottesville, Virginia.

Awards & Acknowledgements

2017, 2018 | Renaissance School Mary Reisler Award for Service

Two-time recipient of Renaissance School's *Mary Reisler Award for Service*, awarded to a student who exceeds expectations in service to the school.

2019 | Renaissance School Youth Service Award

Recipient of Renaissance School's *Youth Service Award*, presented to a student who goes above and beyond in the community.

2019 | Renaissance School Independent Study Research Award

Recipient of Renaissance School's *Independent Study Research Award*, presented to the junior who has the best overall independent study project.

2017-2018 | Distinction in Art

Produced two high school football games in a broadcast-quality manner, with everything from filming, editing, graphics, and marketing. Final Cut Pro X was used to edit and Apple Motion and Cinema 4D were used to design all graphics.

Experience

University of Virginia: Athletics Video Services

Freelancer / 2017-Present

- Produced, directed, & ran graphics for game broadcasts on ESPN networks
- Worked 28+ hours a week as Athletics Video Services' first ever paid high school freelancer
- When operating graphics, acted as my own AP (Associate Producer) for digital shows, pitching the producer storyline & graphic ideas before and over the course of the broadcast
- Ran graphics for 20+ linear broadcasts on multiple ESPN networks, including the ACC Network and ESPN2, over the course of the 2018-19 and 2019-20 academic years
- Learned how to run Ross Carbonite Black & Acuity switchers, Ross XPression graphics, and Evertz DreamCatcher replay
- Produced ACC women's basketball, soccer, lacrosse, baseball, softball, field hockey, and wrestling events that aired live on ACC Network Extra
- Grippped & operated camera for multiple sports as part of live broadcasts and video board shows, including for football and basketball

Charlottesville Tom Sox

Head of Video Content & Social Media Branding, Associate SID / 2017-Present

- Filmed close to every game of 42-game regular season and all of 8-game playoffs
- Shot and produced four feature stories and 5-segment TV show each week with various student talent
- Instructed multiple college interns on shooting, producing, and editing
- Wrote daily 20+page game notes for radio & media
- Kept StatCrew database & team record book
- Wrote 100+page media guide & updated throughout the season
- Designed set of Photoshop graphics for each season

McIntire Little League

Information, Promotions, and Press Box Operations Director; PA Announcer / 2013-Present

- Announced & ran sound for 20+ majors games every season, including city championship, district opening ceremonies, and all-star tournament
- Curated bank of music & sound effects before beginning of season
- Assisted in managing league's social media program
- Drafted & presented a successful proposal for new PA systems on both fields

Renaissance School

IT Director / 2016-2020

- Led the school's IT operations in addition to being a student
- Assisted students & faculty in technology help over four years
- Installed & implemented a new WiFi system over the summer of 2019
